

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application.

COMPLETE LISTING OF CLAIMS:

Claims 1-22 : (Canceled)

Claim 23 : (Currently Amended) ~~An~~ A microwave monolithic integrated circuit, comprising: at least one microstrip line; at least one port; and a removable, reflection-free termination integrated on a chip, for terminating at least one of the microstrip line and the port.

Claim 24 : (Canceled)

Claim 25 : (Canceled)

Claim 26 : (Previously Presented) The integrated circuit according to claim 23, in that the integrated circuit is a test circuit.

Claim 27 : (Previously Presented) The integrated circuit according to claim 23, in that the at least one port is a coplanar line port.

Claim 28 : (Previously Presented) The integrated circuit according to claim 23, and comprising at least one of an amplifier, a mixer, a coupler, and a power splitter.

Claim 29 : (Previously Presented) The integrated circuit according to claim 23, in that there is a plurality of microstrip lines, ports and terminations, each of the microstrip lines and ports being terminated by a respective one of the terminations.

Claim 30 : (Previously Presented) The integrated circuit according to claim 23, and comprising input Lange couplers on the chip, the couplers having at least one port terminated by the termination.

Claim 31 : (Previously Presented) The integrated circuit according to claim 23, in that the termination is an absorbing resistor.

Claim 32 : (Previously Presented) The integrated circuit according to claim 23, in that there is a plurality of reflection-free terminations arranged symmetrically with respect to radio-frequency signal lines.

Claims 33-44 : (Canceled)
